Closure on Creek Road between LaGrange Road and Pebble Drive for Intersection Reconstruction

CHICAGO – The Illinois Department of Transportation (IDOT) announced that Creek Road will be closed between LaGrange Road (U.S. 45) and Pebble Drive, in Palos Park, beginning, weather permitting, Monday, April 18. The closure is necessary for intersection reconstruction along LaGrange Road.

A detour will be posted and businesses will remain accessible during the closure. Creek Road is expected to reopen in May 2016.

The work is part of the ongoing improvements to LaGrange Road from 131st Street to 179th Street. The scope of the project includes modernizing traffic signals and widening the road to provide three lanes in each direction, separated by a landscaped median in Orland Park, Orland Hills, Palos Park and Tinley Park.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
